**Breakfast Club for SAT's Week**

Dear Parent/Carer

The pupils in Year 6 will be taking part in SAT's week during the week commencing 10<sup>th</sup> May 2010. During this week the children are being given the opportunity to come to school early and join some of the staff and their friends for breakfast.

**The children can arrive at school for 8.30am and have a slice of toast, cereal, banana and a drink.** Only the pupils who attend the Breakfast Club will be permitted to come to school early, other pupils must arrive at school at the usual time of no earlier than 8.45am.

We would encourage all of the pupils in Year 6 to come along to the 'Breakfast Club' as we are all aware breakfast is the one of the most important meals of the day. This will give the pupils a relaxing and positive start to the day.

Please complete the reply slip below if you wish your child to join the Breakfast Club and any donation you feel you could make towards Breakfast Club expenses would be gratefully received.

Yours sincerely

Mrs N Mancini  
Deputy Headteacher
