

03rd February 2010

Dear Parents/Carers

On Wednesday 24th February 2010 we have the Quantum Theatre in school. They will be performing the play “The Countback Kid” for Key Stage 2 children in the afternoon. This is a comedy musical western which will explore parts of the maths curriculum on problem solving and reasoning, numbers and calculations, timetables and written methods of addition and subtraction.

To cover the cost of the theatre show we are asking for a voluntary contribution of £1.50.

Please return the slip below with your contribution.

Yours sincerely

Z Brittle
Head of Maths

.....
“The Countback Kid”

Name..... Class.....

I enclose a voluntary contribution for “The Countback Kid” on 24th February 2010.
